(Hospitalizations & Deaths) Due to COVID-19, there is one (1) hospitalization at Samuel Simmonds Memorial Hospital (SSMH). SSMH has a cumulative total of ninety-three (93) hospitalizations. The North Slope Borough has a cumulative total of thirteen (13) who have passed away.

(Cumulative total) The North Slope Borough has a cumulative total of three thousand nine hundred ninety-nine (3,999) resident cases to date.

COVID-19 vaccine walk-ins or appointments are available, please call **SSMH Appointment Line at (907) 852-9156 or (907) 367-6292**. The vaccine has no out-of-pocket costs. SSMH staff are also offering the vaccine in the village clinics. Questions? Please email covidvaccine@arcticslope.org.

SSMH is committed to providing COVID-19 testing. Testing is available every day from 12pm-6pm at the old NSB Transit Station facility at 1710 Ahkovak Street, located near the airport. Tests acquired at SSMH or the testing center are available with no out-of-pocket costs.

The following symptoms may appear 2-14 days after exposure:

- Cough
- Fatigue
- Headache
- Fever
- Sore throat
- Loss of smell or taste
- Body aches
- Sneezing/Runny Nose
- Stomach ache

SSMH activated its incident command structure on March 16, 2020 to manage the COVID-19 pandemic in the region. SSMH is communicating with regional entities.

Please continue to follow the CDC recommendations against COVID-19. More information on protecting yourself can be found at <http://www.cdc.gov>
