(Hospitalizations & Deaths) Due to COVID-19, there are no (0) hospitalizations at Samuel Simmonds Memorial Hospital (SSMH). SSMH has a cumulative total of one hundred (100) hospitalizations. The North Slope Borough has a cumulative total of thirteen (13) residents who have passed away.

(Cumulative total) The North Slope Borough has a cumulative total of four thousand three hundred twenty-five (4,325) resident cases to date.

SSMH will host a Saturday COVID-19 vaccine clinic on August 27. COVID-19 vaccine walk-ins or appointments are available, please call **SSMH Appointment Line at (907) 852-9380**. The vaccine has no out-of-pocket costs. SSMH staff are also offering the vaccine in the village clinics. Questions? Please email covidvaccine@arcticslope.org.

SSMH is committed to providing COVID-19 testing. Hours of operation on Fridays are 4pm – 6pm, and Saturdays to Thursdays from 1pm – 6pm at the old NSB Transit Station facility at 1710 Ahkovak Street, located near the airport. Tests acquired at SSMH or the testing center are available with no out-of-pocket costs.

The following symptoms may appear 2-14 days after exposure:

- Cough
- Fatigue
- Headache
- Fever
- Sore throat
- Loss of smell or taste
- Body aches
- Sneezing/Runny Nose
- Stomach ache

SSMH activated its incident command structure on March 16, 2020 to manage the COVID-19 pandemic in the region. SSMH is communicating with regional entities.

Please continue to follow the CDC recommendations against COVID-19. More information on protecting yourself can be found at <http://www.cdc.gov>
